Sir:

Technology Center 2100

This is in response to the Office Action mailed on December 12, 2001, and having a period for response set to expire on March 12, 2002. Therefore, this Amendment is timely filed by March 12, 2002.

The following amendments and remarks are respectfully submitted. Reconsideration of the claims is respectfully requested.

IN THE SPECIFICATION:

Please REPLACE the first paragraph on page 18 of the Specification with the following paragraph:

--As mentioned above, all of the installed applications, the installed additional functions, and created data are copied to the destination indicated by the user as if it is so that the user does not need to reinstall the same additional functions and does not set again optional settings of the application to fit the user's requirements such as a font size, lines per page, and the like. In addition, a user is only required to indicate a destination so that the user does not have to
